**TITLE OF INFORMATION COLLECTION:**

Safe and Supportive Schools Technical Assistance (SSS TA) Center Feedback

**PURPOSE:**

SSS TA believes that it is important to determine the level of satisfaction of its delivery of technical assistance and supports to grantees and the general public. The data collected regarding the performance and effectiveness of how these technical assistance activities, events and publications are meeting customers’ needs will provide data for the SSS TA overall annual evaluation plan as well as the center’s continuous quality improvement process. As a result, the Department wishes to solicit input from current ED customers and the general public to determine whether they have been satisfied with the services and products provided or whether other services or products would better meet their needs.

**DESCRIPTION OF RESPONDENTS:**

Audiences vary and are comprised of from 10-150 people. Each will be given the opportunity to score the *Feedback Form* after each event, presentation or product use. SSS TA Center delivers between 25 to 50 presentations each year to grantees and the general public.
