

**AMERICAN HOUSING  
SURVEY WORKSHEET**

This worksheet is not a questionnaire but an aid to help you when our field representative contacts you.  
**DO NOT mail this back to the U.S. Census Bureau.**

Completing the survey will be easier if you will look up these costs in your checkbook or other records before the interview.  
Record the amounts for the past year in the spaces provided, skipping any costs that do not apply to you.

Please keep this worksheet and copies of **your utility bills, regular mortgage statement, and year end mortgage statement (IRS Form 1098)**, so you can refer to them when our field representative contacts you.

Thank you for your time and effort in completing this worksheet!
