We are currently tabulating data for dry bean production. Your report should reflect the total amount of dry beans you expect to receive from the 2011 crop. Include Idaho beans grown and processed for out-of-state houses. Under Title 7 of the U.S. Code and CIPSEA (Public Law 107-347), facts about your operation are kept **confidential** and used only for statistical purposes in combination with similar reports from other producers. Response is **voluntary**. In order to accurately estimate dry bean production by class, your report is important. Please fill in the table below, giving your best estimate where necessary. Only State totals by class will be published.

Please make corrections to name, address and Zip Code, if necessary.
