Project 245 OMB No. 0535-0002 Approval Expires 6/30/2012

TEXAS DRY BEAN ACREAGE INTENTIONS 2012

Texas Field Office P.O. Box 70 Austin, TX 78767 Fax: 1-800-842-1331

Email: nass-tx@nass.usda.gov

Your help is needed to determine the acreage of dry beans intended to be planted this year. Response to this survey is voluntary and not required by law. However, your cooperation is very important since information published in advance of spring planting can help you in deciding whether a change in plans is desirable.

Individual reports are confidential. Please use the enclosed envelope or fax your report to 1-800-842-1331. Thank you.

Please make corrections to name, address and Zip Code, if necessary.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0535-0002. The time required to complete this information collection is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
