The U.S. Department of Agriculture collects and publishes information on prices farmers receive for agricultural commodities. This information is used in estimation of farm income, the computation of counter-cyclical payments, State tax projections and rates, and for price studies and analysis of returns from various crops.

Information requested in this survey is used to prepare estimates of selected agricultural commodities. Under Title 7 of the U.S. Code and CIPSEA (Public Law 107-347), facts about your operation are kept confidential and used only for statistical purposes in combination with similar reports from other producers. Response is **voluntary**.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number is 0535-0003. The time required to complete this information collection is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

1. Do you expect this operation to **MARKET** any upland cotton from U.S. farmers during the next twelve months?

NOTE: Inform the respondent that the prices should reflect an **f.o.b. warehouse price**. Reported price should account for all grades of cotton purchased or delivered to your firm directly from producers as first time sales, without regard to eventual ownership or user. Include only cotton for which you paid or will pay the check-off as cotton purchased from producers. Ask the respondent to provide a **settlement sheet** (*check stub, sales ticket, assembling sheet*) showing a typical transaction and a **monthly summary** (*monthly report*). It will help determine the firm's ability to report based on our guidelines.
