Special Nutrition Program Operations Study (SN-OPS)

Frequently Asked Questions

Q Why is FNS conducting the survey?

A This survey is being conducted to provide nationally representative information about Child Nutrition programs and programs available in public school districts. The goal of the SN-OPS is to understand the policy and operational issues surrounding the Child Nutrition Programs. Specifically, survey topics include the preparation of program budget, development and implementation of program policy and regulations, and identification of areas for provision of technical assistance and training.

Q Who is invited to participate in SN-OPS?

A This is a survey of 56 State Child Nutrition Program Directors and 1875 School Food Authority Directors. We are also visiting 125 SFAs and up to 375 schools.

Q Why is participation by your School Food Authority (SFA) important?

A Your SFA's participation, while voluntary, is important because it is vital to the development of national estimates. We need your input because your SFA is one of a small sample of SFAs selected for the study. Your cooperation is critical to make the results of this survey comprehensive, accurate, and timely.

Q How long is the data collection period?

A Because of the time sensitive nature of data that are being collected, we expect to receive all completed surveys within 6 weeks of initial mailing.

Q Can I complete the survey on-line?

A Yes, you can visit <http://www.sfanutritionssurvey.org> website to access the survey. Use your Study ID to access and complete your survey. While you can complete your survey over multiple sittings, the survey can be completed in about 1 hour and 45 minutes and we urge you to complete it in one sitting or to take fewer breaks and save your responses if you have to stop along the way.

Q How does FNS protect the confidentiality of the information that you provide?

A Your answers may be used only for statistical purposes and may not be disclosed, or used, in identifiable form for any other purpose unless otherwise compelled by law. The federal Office of Management and Budget (OMB) has approved the survey (OMB No. [OMB Number: 0584-0562](#). [Expiration Date: X/XX/XXXX](#)).

Q Who should I contact if I have questions about the study or the survey?

A If you have any questions about this survey, please contact the Westat survey helpline at 1-888-202-1565 (toll-free) or by email: SNPOS@westat.com. You may also call John Endahl, the FNS Project Officer, at 703-305-2127.
