

2012

Census of Governments

The 2012 Census of Governments is currently underway. All of us have a strong interest in the early and successful completion of the Census. The Census will directly impact your government and the communities you serve as it will produce statistics about government organization, public employment, and government finance.

U.S. DEPARTMENT OF COMMERCE
Economics and Statistics Administration
U.S. Census Bureau
 Washington, DC 20233
