Proposed Changes to Reportable Food Registry (RFR)	
OMB control No. 0910-0645	
Reason this rood is reportable (agent) Mandatory (e)(4)	Public narm
What did your investigation identify as the Mandatory (e)(5)	
root cause of the problem (if you were	
required to conduct an investigation under (Note also need	
section 417(d)(1)(B) of the FD&C Act)? "N/A" option in	
drop down box	
those not requir	
to investigate)	FSMA
How did you determine which Mandatory (e)(4) and (5)	D. L.P. J.
products/lots/batches were affected?	Public harm
To the best of your knowledge, has all of Mandatory (e)(6)	
the reportable food been removed from	
commerce?	Public harm
What corrective actions have been taken Optional	
to prevent future occurrences?	Public harm
Product Commodity Type Mandatory (e)(3)	FSMA
Manufacturing/Production Date(s) Mandatory (e)(3) and (4)	Public harm
Use-by dates, if any, or approximate Shelf Mandatory (e)(7)	
Life	
(Tying this to use	e-
by dates on	
package links th	iis
to element 7,	
which explicitly	
includes use-by	
dates)	Public harm
Was product treated to reduce Mandatory (but (e)(3) and (4)	
microorganisms conditional)	
(Note- needs to	be
conditional if	
mandatory-	
should only	
appear if report	er
has selected	
one of the	
microbial hazard	ds
as the answer to	o
"reason this foo	od
is reportable	
(agent)."	
That way this is	
clearly about the	
nature of the
