

Patient Registration Survey

1. Introduction

The Wind River Service Unit (WRSU) is committed to improving the quality of patient care by being accredited as a Primary Care Medical Home (PCMH). PCMH means working with the bigger health care community to meet your medical needs. This patient care survey is one way to improve services. It allows us to see the bigger picture to your health service needs. Patient care begins with you. Please complete the survey based upon your last or immediate visit. It takes about 5 minutes to finish. Thank you for helping improve patient care.

Patient Registration Survey

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0917-0036. The time required to complete this information collection is estimated to average 5 minutes per response, including the time to review instructions, search existing data resources, gather data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to U.S. Department of Health & Human Services, OS/OCIO/PRA, 200 Independence Ave., Suite 336E, Washington D.C. 20201, Attention: PRA Reports Clearance Officer.
