“Informing the Development of Mobile Apps for HIV Prevention, Treatment, & Care”

Attachment 5a. People Living with HIV/AIDS Recruitment Flyer

COLUMBIA UNIVERSITY
MEDICAL CENTER

Do you have HIV?

Are you interested in your health? Do you want to use a mobile device to find out more about your health?

We are studying how persons living with HIV would use a mobile device to find health information.

You must speak English and be willing to spend about 1.5 hours to use and mobile device and some mobile health applications. You will receive \$25.00 as a token of appreciation.

If you would like to know more or would like to participate – Please call Marlene at (212) 305-2866 or mr3301@columbia.edu or Rebecca at (212) 342-6886 or rb897@columbia.edu
