TALKING ABOUT SEX REDUCES RISKY BEHAVIOR

This engaging, web-based, 1-hour CME/CNE accredited program uses natural provider-patient interactions, which can help medical providers discover teachable moments that address risky sexual behaviors in their patients and how to positively impact behavior change, reduce risk of acquiring STDs, and help prevent HIV transmission.

Module 1.
Teachable moments with
a long-standing patient

Module 2.
Transmission prevention
for a serodiscordant couple

Module 3.
Learning more about a
recently diagnosed patient
