

“Evaluating a HIV/AIDS Focused Video Game for Young People”

## **Attachment 3b. Enrollment Day Survey**

Public reporting burden of this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; Attn: OMB-PRA (0920-0840)

## ENROLLMENT DAY SURVEY

Study ID No. \_\_\_\_\_

### A. Demographics

A1: What grade are you in at school? \_\_\_\_\_

### B. Experience and Attitudes About HIV Testing

The next set of questions will ask about your attitudes and feelings about HIV testing. Please tell us how much you agree or disagree with the following statements.

B1: Have you ever been tested for HIV? HIV is the virus that causes AIDS.

Yes (if yes go to B2)

True  
False

D10: A person can get HIV by sharing a glass of water with someone who has HIV.

True  
False

### **E. Behaviors**

Intro: Now we want to ask you some questions about boyfriends, girlfriends, and sex. Please try to answer every question honestly. It is important for us to know what has really happened in your life, so it will help us a lot if you answer truthfully. Remember – even if you've answered these questions before, please think back to your whole life and answer the questions about kissing, touching and other things you have ever done with boys or girls. Your answers are very important to us.

E1: Have you ever had a close romantic relationship with a boy or girl and thought of him or her as your boyfriend or girlfriend?

Yes  
No

E2: Have you ever felt like you were in love romantically with a boy or girl?

Yes  
No

E3: Have you ever kissed a boy or girl in a romantic or sexy way?

Yes  
No

E4: Has a boy or girl ever touched your private parts?

Yes  
No

E5: Have you ever touched a boy or girl's private parts?

Yes

No

[If the answers to the last two questions are both NO, then skip the next questions on sex]

E6: Have you ever had sex or made love to a boy or girl?

Yes

No

E7: The first time you ever had sex, if you are a boy, did you wear a condom? Or if you are a girl and had sex with a boy, did he wear a condom?

Yes

No

## **F. Behavioral Intentions**

The next set of questions will ask about your whether or not you think you will have sex in the next 6 months.

F1: Do you think you will have sex sometime in the next 6 months?

Yes (if yes go to F2)

No (if no go to G1)

F2: How often do you think you will use a condom if you have sex in the next 6 months?

Never

Occasionally

About half the time

Most times

Always
