

I. Internal Automated Scheduling Screen Flows

Introduction

The screens presented in this package only include screens used by SSA employees in the hearing offices (HOs) to record information they obtain directly from the public through a telephone or in-person interview process. The internal Automated Scheduling Application (ASA) includes additional screens, which are not presented for OMB approval, which the HOs use to perform back-end scheduling functions.

Profile

An HO invites each AR or Expert to the HO to receive assistance in completing or reviewing his or her profile before accessing the external ASA. The profile collects general information about the user that determines the availability choices presented to the user and provides information for the internal scheduling batch engine to propose hearings in which the user can participate. The HO edits the default profile using the internal ASA profile screens. If experts (other than Verbatim Hearing Recorders (VHR)) need to change their profile after the initial visit, they may do so through the external ASA or by visiting or calling the HO who edits the profile using the internal ASA screens. VHRs cannot edit their profile through the external ASA so they will need to contact the HO.

Add/Remove Locations

The screenshot shows a web browser window titled "Add/Remove Locations - Windows Internet Explorer". The page header includes the ASA logo and the text "Automated Scheduling Application". A navigation bar contains links for "ASA Home", "Exit ASA", "Print", and "Help". The main content area is titled "Add/Remove Locations" and displays the following information:

- Region: R01 Boston MS (X23)
- Office: Boston MA (T24)
- Available Locations: A list box containing Berlin, Nh; Boscawen, Nh; Brattleboro, Vt; Burlington, Vt; Concord, Nh; El Centro, Ca; Flagstaff, Az; Generic Way; Glendale, Az; and Globe, Az.
- Selected Locations: A list box containing Boston MA - Augusta; Boston MA - Bangor; and Boston MA - Boston.

Between the two location lists are "Add" and "Remove" buttons. At the bottom of the main content area are "Continue" and "Cancel" buttons. The browser status bar at the bottom shows "Done", "Local intranet | Protected Mode: Off", and "100%".

EXPERT Profile for In Person Hearings – View

The screenshot shows a web browser window titled "Expert Profile for In Person Hearings - View - Windows Internet Explorer". The page header includes the ASA logo and the text "Automated Scheduling Application". The main content area displays the following information:

VHR Profile for In Person Hearings – View

The screenshot shows a web browser window titled "Verbatim Hearing Reporter (VHR) Profile for In Person Hearings - View - Windows Internet Explorer". The page content includes the ASA logo and the text "Automated Scheduling Application". The main heading is "Verbatim Hearing Reporter (VHR) Profile for In Person Hearings - View". Navigation links include "ASA Home", "Exit ASA", "Print", and "Help". The profile details are as follows:

- VHR name: Malva V Poindexter
- BPA number: SS24-53-34645
- Where can the VHR appear?
 - Boston MA - Augusta
 - Boston MA - Bangor
 - Boston MA - Boston
- Are there other VHRs who appear on behalf of the company? No
- NOTE: Yes indicates you will only be able to select Available All Day or Unavailable on the Calendar Availability screens
- Number of VHRs that appear on behalf of the company for SSA Hearings 1
- NOTE: This is the number of VHRs that can appear in person, at the selected locations, for your company under our BPA.

A "Back" button is located at the bottom left of the profile information. The browser status bar at the bottom shows "Done", "Local intranet | Protected Mode: Off", and "100%".

Monthly Calendar

An AR or expert may contact the HO regarding their scheduled hearings in particular month. A common situation that would prompt a call would be if the AR or expert tried to change his or her availability using the external ASA and were unable to do so. The HO may view the internal ASA calendar for that AR or expert and answer any inquiries. The calendar displays proposed as well as scheduled (“approved”) hearings.

Daily Calendar

An AR or expert may contact the HO regarding the details of scheduled hearings for a particular day of a month. The HO may view the internal ASA daily calendar for that AR or expert and answer any inquiries. The calendar displays proposed as well as scheduled (“approved”) hearings. It lists all participants. Since at any one time there can be an associate in one location and an associate in another location, the Daily Calendar includes a location selection feature.

Daily Availability

An AR or expert may contact the HO to change his or her availability for a certain day(s) if he or she cannot or chooses not to use the external ASA to do so. The HO may also apply any day's availability to other dates. For those ARs or experts with associates or ARs that appear across the country, the number of associates that are available is recorded.
