INDIVIDUAL COMPANY
DATA - PROPRIETARY

Unless authorization is granted in the section above the signature, the data furnished in this report will be treated in confidence by the Department of the Interior, except that they may be disclosed to Federal defense agencies, or to the Congress upon official request for appropriate purposes. Unless objection is made in writing to the USGS, the information furnished in this report may be disclosed to the respondent's State Geological Survey (or similar State Agency) if the State has appropriate safeguards to prevent disclosing company proprietary data.

PRODUCTION OF
NATURAL ZEOLITES

(Please correct if name or address has changed.)

FACSIMILE NUMBER
1-800-543-0661

Public reporting burden for this voluntary collection of information is estimated to average 30 MINUTES per response. A Federal agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. Comments regarding this collection of information should be directed to: U.S. Geological Survey, Statistics and Information Systems Section, 988 National Center, Reston, VA 20192. **Please do not mail canvass forms to this address.**

Collection of nonfuel minerals information is authorized by Public Law 96-479 and the Defense Production Act. This information is used to support executive policy decisions pertaining to emergency preparedness, national defense, and analyses for minerals legislation and industrial trends. The USGS relies on your voluntary and timely response to assure that its information is complete and accurate. Please return this form in the enclosed envelope or fax to the above toll-free number. Complete a separate form for each establishment that was active during the reporting period. Use zero (0) when appropriate. Additional forms are available upon request. If you have nothing to report, please complete Item 1, sign, and return the form. If the company has one mine feeding one mill, then only one form is necessary.

1. Establishment(s) covered by this report.

1.1 Name and location of mine, pit, or quarry.

Name _____ Nearest city or town _____
County _____ State _____ Latitude _____ Longitude _____

1.2 Status during year. (Check one or more.) (1) Active From _____ To _____

(2) Idle (3) Abandoned (4) Leased (5) Sold (6) Purchased

If ownership changed during year, give date of change _____ and name and address of party to whom transferred.

2. Production and sales of natural zeolites.
