The following screenshots reflect what respondents see when they go out to the website to enter their Multiple Worksite Report data. These screenshots reflect the most common reporting steps and issues that respondents encounter.

This is the IDCF log-in screen. Respondents enter their ID and password here to get into the website.

The screenshot shows the 'Survey Selection Page' of the Bureau of Labor Statistics Internet Data Collection Facility. The page has a blue header with the title 'Survey Selection Page'. Below the header, the BLS logo and 'Internet Data Collection Facility' are displayed. A navigation bar contains links for 'ADA Statement', 'Privacy Policy', and 'Logout'. The main content area is titled 'Welcome to the Internet Data Collection Facility' and includes instructions for users to review their information and select a survey. A 'Update Respondent Info' section shows a form with fields for name, address, and phone number, and an 'Update' button. A 'Select Survey' dropdown menu is set to 'Multiple Worksite Report', with a 'Continue' button below it. On the right side, there are buttons for 'Select Survey', 'Update Respondent Info', 'Change Password', and 'Help'. A maintenance notice is located at the bottom of the main content area, and a footer contains contact information and a URL.

 We estimate that this form will take from 10 minutes to 60 minutes to complete per response, with an average of 22 minutes. This includes time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing this information. If you have any comments regarding these estimates or any aspect of this form, send them to the Bureau of Labor Statistics, Division of Administrative Statistics and Labor Turnover, Room 4840, 2 Massachusetts Avenue N.E., Washington, D.C. 20212. The OMB control number for this survey is 1220-0134 and it expires on 05/31/2013. Without a currently valid OMB number, BLS would not be able to conduct this survey.

If respondents report data for multiple UI Accounts, they will display in one table. Respondents choose the UI Account they want by clicking “Select.”

Employment for January is much lower than employment for December.

Please select the appropriate explanation(s) for the changes in the list below.

- Seasonal closing or end-of-season business slowdown
- Generally less business, general slowdown
- Short-term project ending or ended
- Employees on strike (labor dispute)
- Worksite permanently closed
- Worksite was sold
- Internal changes resulting in less employment
- Employees transferred to other locations
- Natural disaster (hurricane, earthquake, tornado, etc.)
- Bad weather
- Employment for last quarter is not correct
