### Important Notes:

- USCIS captures your Internet Protocol address and your web browser information when you file a benefit request.
- USCIS cannot electronically process fee waivers in USCIS ELIS at this time. Payment processing is completed entirely through the Department of Treasury's secure Pay.gov system. USCIS will not store or have access to your payment or credit card information.
- NEVER give out your USCIS ELIS account number or password to another individual or allow another person to use your USCIS ELIS account and password to file a benefit request.

**You currently do not have any cases pending or in draft status.**

If you choose not to file your benefit request today, the system will save a draft of your benefit request for 30 days.

If you do not file your benefit request within 30 days, all drafts of your request will be deleted and your USCIS ELIS account will be deleted.

If your account is deleted, you will need to create a new account in USCIS ELIS before you can file a new benefit request.

If you previously filed a benefit request in USCIS ELIS, your USCIS ELIS online account will not be deleted. In the future, only those benefit requests that remain in a "DRAFT" state will be deleted after 30 days.
