Rockville, Maryland 20850-3129

Use a black or blue ball point pen or #2 pencil to complete this questionnaire.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 1850-0750. Approval expires 05/31/2013. The time required to complete this information collection is estimated to average 30 minutes per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information requested. If you have any comments concerning the accuracy of the time estimate or suggestions for improving the survey instrument, please write to: U.S. Department of Education, Washington, D.C. 20202-4537. If you have comments or concerns regarding the status of your individual response to this survey, write directly to: National Center for Education Statistics, 1990 K Street, N.W., Room 9086, Washington, D.C. 20006-5650.

The collection of information in this survey is authorized by 20 U.S. Code, Section 9541. Participation is voluntary. You may skip questions you do not wish to answer; however, we hope that you will answer as many questions as you can. Your responses are protected from disclosure by federal statute (20 U.S. Code, Section 9573). All responses that relate to or describe identifiable characteristics of individuals may be used only for statistical purposes and may not be disclosed, or used, in identifiable form for any other purpose except as required by law. Data will be combined to produce statistical reports. No individual data that links your name, address, telephone number, or identification number with your responses will be included in the statistical reports.

INTRODUCTION

Dear Special Education Teacher/Related Services Provider,

This questionnaire is an important part of a major longitudinal study of children's early educational experiences beginning with kindergarten and continuing through grade 5. The **Early Childhood Longitudinal Study, Kindergarten Class of 2010-2011 (ECLS-K:2011)** is collecting information from the special education teachers/related service providers of sampled children who have Individual Education Programs (IEPs) to investigate the relationship between the children's academic progress and various school, classroom, teacher, and home characteristics. This questionnaire collects information about your background and your work in this school with children with disabilities.

Taking part in the study is voluntary. You may stop at any time or choose not to answer a question you do not want to answer. However, only you can provide this information. Although we realize you are very busy, we urge you to complete this questionnaire as completely and accurately as possible. The information you provide is being collected for research purposes only and will be protected from disclosure to the fullest extent allowable by law (Education Sciences Reform Act of 2002, 20 U.S.C. § 9573). Information from multiple individuals will be combined to produce statistical reports; no information that identifies you will be included in any reports or provided to students, their parents, or other school staff.

THANK YOU VERY MUCH FOR YOUR HELP.

The **Early Childhood Longitudinal Study, Kindergarten Class of 2010-2011 (ECLS-K:2011)** is collecting information from the special education teachers/related service providers of sampled children who have Individual Education Programs (IEPs). We are gathering information from these children's regular classroom teachers as well. Our purpose is to investigate the relationship between the children's academic progress and various school, classroom, teacher, and home characteristics. This questionnaire collects information on the special education/related services received by the child identified on the cover of this questionnaire.

Taking part in the study is voluntary. You may stop at any time or choose not to answer a question you do not want to answer. However, only you can provide this information. Although we realize you are very busy, we urge you to complete this questionnaire as completely and accurately as possible. You may find at least some of the information we are asking for in the child's IEP. All information you provide is being collected for research purposes only and will be protected from disclosure to the fullest extent allowable by law (Education Sciences Reform Act of 2002, 20 U.S.C. § 9573). Information from multiple individuals will be combined to produce statistical reports; no information that identifies you will be included in any reports or provided to students, their parents, or other school staff.
