## Welcome to Broadband.gov

The American Recovery and Reinvestment Act of 2009. The Broadband Initiatives Fund is a key component of the Recovery Act across the United States. The Recovery Act shall seek to ensure that all people have access to broadband as we add new features and capabilities to the site.

## Workshops

The goal of the workshops will be to promote an open dialogue between the FCC and key constituents on matters important to the National Broadband Plan. Key constituents will include service providers, equipment providers, applications providers, community groups, and other groups that have a stake in the future of broadband. Check the workshops schedule for more details and to suggest topics and questions for the workshops.

### [A National Broadband Clearinghouse](#)

October 14th, 2009 by Matt Warner

It's not just the FCC that's interested in figuring out the best way to use and deploy broadband. We've learned that lots of organizations: towns and cities, state governments, small businesses, non-profits, and others are also looking at the question. Several parties have suggested that an online clearinghouse of broadband data and best practices would make it much easier for everyone to get this information easily. [Read More...](#)
