

(SSA), if applicable, indicates it has safety and soundness concerns. If the NCUA regional office or SSA identifies a safety and soundness concern, OSCUI, in conjunction with the regional office or SSA, will assess whether the condition of the Applicant is adequate to undertake the activities for which funding is requested, and the obligations of the loan and its conditions. NCUA, in its sole discretion, may defer decision on funding an Application until the credit union's safety and soundness conditions improve.

V. Funding Process

A. *Funding Selection*: NCUA will make its funding selections based on a consistent scoring tier where each applicant will receive an individual score. NCUA will consider the impact of the funding. In addition, NCUA may consider the geographic diversity of the Applicants in its funding decisions. When loan demand is high applications will be ranked based on the aforementioned.

B. *Notice of Funding*: NCUA will notify each Applicant of its funding decision. Notification will generally be by email. Applicants that are approved for funding will also receive instructions on how to proceed with disbursement of the loan.

VI. Disbursement of Funds

A. *Loan Agreement*: Each Applicant selected to receive a loan under this NOFO must sign a Loan Agreement and a Promissory Note in order to receive a disbursement of funds. The Loan Agreement will include the terms and conditions of funding, including but not limited to the: (i) Loan amount; (ii) interest rate; (iii) repayment requirements; (iv) accounting treatment; (v) impact measures; and (vi) reporting requirements.

1. *Failure to Sign Agreement*: NCUA, in its sole discretion, may rescind a loan offer if the Applicant fails to return the signed loan documents and/or any other requested documentation, within the time specified by NCUA.

2. *Multiple Disbursements*: NCUA may determine, in its sole discretion, to fund a loan in multiple disbursements. In such cases, the process for disbursement will be specified by NCUA in the Loan Agreement.

VII. Post-Award Requirements

A. *Reporting Requirements*: Annually, each Participating Credit Union will submit an annual report to NCUA. The report will address the Participating Credit Union's use of the loan funds; the impact of funding; and explanation of

any failure to meet objectives for use of proceeds, outcome, or impact. NCUA, in its sole discretion, may modify these requirements. However, such reporting requirements will be modified only after notice to affected credit unions.

1. *Report Form*: Applicable credit unions will be notified regarding the submission of the report form. A Participating Credit Union is responsible for timely and complete submission of the report. NCUA will use such information to monitor each Participating Credit Union's compliance with the requirements of its loan agreement and to assess the impact of the OSCUI Loan Program.

VIII. Agency Contacts

A. *Methods of Contact*: For further information, contact NCUA by email at OSCUIAPPS@ncua.gov.

B. *Information Technology Support*: People who have visual or mobility impairments that prevent them from using NCUA's Web site should call (703) 518-6610 for guidance (this is not a toll free number).

Authority: 12 U.S.C. 1756, 1757(5)(D), and (7)(I), 1766, 1782, 1784, 1785 and 1786; 12 CFR 705.

By the National Credit Union Administration Board on January 16, 2013.

Mary F. Rupp,

Secretary of the Board.

BILLING CODE 7535-01-P

NATIONAL FOUNDATION ON THE ARTS AND THE HUMANITIES

Arts and Artifacts Indemnity Panel Advisory Committee

AGENCY: Federal Council on the Arts and the Humanities; National Endowment for the Humanities.

ACTION: Notice of meeting.

SUMMARY: Pursuant to section 10(a)(2) of the Federal Advisory Committee Act (5 U.S.C. App.), notice is hereby given that the Federal Council on the Arts and the Humanities will hold a meeting of the Arts and Artifacts Domestic Indemnity Panel. The purpose of the meeting is for panel review, discussion, evaluation, and recommendation of applications for Certificates of Indemnity submitted to the Federal Council on the Arts and the Humanities for exhibitions beginning on or after April 1, 2013.

DATES: The meeting will be held on Tuesday, February 12, 2013, from 9:30 a.m. to 5:00 p.m.

ADDRESSES: The meeting will be held at the Old Post Office Building, 1100

Pennsylvania Ave. NW., Washington, DC 20506, in Room 730.

FOR FURTHER INFORMATION CONTACT:

Lisette Voyatzis, Committee Management Officer, 1100 Pennsylvania Avenue NW., Room 529, Washington, DC 20506, or call (202) 606-8322. Hearing-impaired individuals are advised that information on this matter may be obtained by contacting the National Endowment for the Humanities' TDD terminal at (202) 606-8282.

SUPPLEMENTARY INFORMATION: Because the meeting will consider proprietary financial and commercial data provided in confidence by indemnity applicants, and material that is likely to disclose trade secrets or other privileged or confidential information, and because it is important to keep the values of objects to be indemnified and the methods of transportation and security measures confidential, the meeting will be closed to the public pursuant to section 552b(c)(4) of Title 5 U.S.C., as amended. I have made this determination under the authority granted me by the Chairman's Delegation of Authority to Close Advisory Committee Meetings dated July 19, 1993.

Dated: January 17, 2013.

Lisette Voyatzis,

Committee Management Officer.

BILLING CODE 7536-01-P

NUCLEAR REGULATORY COMMISSION

[Docket No. NRC-2012-0191]

Agency Information Collection

Activities: Submission for the Office of Management and Budget (OMB) Review; Comment Request

AGENCY: Nuclear Regulatory Commission.

ACTION: Notice of the OMB review of information collection and solicitation of public comment.

SUMMARY: The U.S. Nuclear Regulatory Commission (NRC) has recently submitted to OMB for review the following proposal for the collection of information under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35). The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The NRC published a **Federal**

Register notice with a 60-day comment period on this information collection on September 24, 2012 (77 FR 58871).

1. *Type of submission, new, revision, or extension:* New.
2. *The title of the information collection:* NRC Reactor Vendor Registration.
3. *Current OMB approval number:* 3150-XXXX.
4. *The form number if applicable:* N/A.
5. *How often the collection is required:* Annually.
6. *Who will be required or asked to report:* Power reactor licensee and applicants, and vendors are asked to report voluntarily.
7. *An estimate of the number of annual responses:* 192.
8. *The estimated number of annual respondents:* 192.
9. *An estimate of the total number of hours needed annually to complete the requirement or request:* 183.5.
10. *Abstract:* The NRC is commencing an effort to identify vendors of safety-related parts and services to nuclear power plants both directly (vendors) and indirectly (sub-vendors). For the purpose of this document, the term vendor includes supplier. The NRC licensees and applicants are responsible for the safety of facilities licensed by the NRC. As such, they are responsible for ensuring that their vendors meet applicable regulations and requirements, both technical and quality, in purchase documents. In order to ensure that licensees are meeting the regulatory requirements in this area, the NRC inspects vendors to evaluate their conformance with technical and quality requirements in part 21 of Title 10 of the *Code of Federal Regulations* (10 CFR), "Reporting of Defects and Noncompliance," and Appendix B, "Quality Assurance Criteria for Nuclear Power Plants and Fuel Reprocessing Plants," to 10 CFR Part 50, as required by procurement contracts with licensees. There is no requirement for vendors to register with the NRC. This collection will assist the NRC in assessing the number and variety of vendors of safety-related parts and services for resource and vendor inspection planning. As part of that effort, the NRC plans to (1) issue a communication to power reactor licensee and applicants requesting the voluntary submittal of vendor information and (2) create a Web page on its public Web site that allows vendor and sub-vendor information to be submitted individually. When power reactor licensee and applicants respond either by submitting their information by mail or online they will be asked to

provide the following information: Vendor names, vendor addresses, vendor points of contact, vendor point of contact email address, vendor telephone number, scope of supply, and comments. Additionally, Vendors will also be able to use this Web page voluntarily to complete self registration.

The public may examine and have copied for a fee publicly available documents, including the final supporting statement, at the NRC's Public Document Room, Room O-1F21, One White Flint North, 11555 Rockville Pike, Rockville, Maryland 20852. The OMB clearance requests are available at the NRC's Web site: <http://www.nrc.gov/public-involve/doc-comment/omb/>. The document will be available on the NRC's home page site for 60 days after the signature date of this notice.

Comments and questions should be directed to the OMB reviewer listed below by February 22, 2013. Comments received after this date will be considered if it is practical to do so, but assurance of consideration cannot be given to comments received after this date.

Chad Whiteman, Desk Officer, Office of Information and Regulatory Affairs (3150-XXXX), NEOB-10202, Office of Management and Budget, Washington, DC 20503.

Comments can also be emailed to Chad_S_Whiteman@omb.eop.gov or submitted by telephone at 202-395-4718.

The NRC Clearance Officer is Tremaine Donnell, 301-415-6258.

Dated at Rockville, Maryland, this 16th day of January, 2013.

For the Nuclear Regulatory Commission.

Tremaine Donnell,
NRC Clearance Officer, Office of Information Services.

BILLING CODE 7590-01-P

NUCLEAR REGULATORY COMMISSION

[Docket No. 52-038; NRC-2008-0581]

Nine Mile Point 3 Nuclear Project, LLC and UniStar Nuclear Operating Services, LLC Combined License Application for Nine Mile Point 3 Nuclear Power Plant Exemption

1.0 Background

Nine Mile Point 3 Nuclear Project, LLC, and UniStar Nuclear Operating Services, LLC (UniStar), submitted a Combined License (COL) Application for a single unit of AREVA NP's U.S. EPR to the U.S. Nuclear Regulatory Commission (NRC) in accordance with

the requirements of Title 10 of the *Code of Federal Regulations* (10 CFR), subpart C of part 52, "Licenses, Certifications, and Approvals for Nuclear Power Plants." This reactor is to be identified as Nine Mile Point 3 Nuclear Power Plant (NMP3NPP), and located adjacent to the current Nine Mile Point Nuclear Station, Unit 1 and Unit 2, in Oswego County, New York. The NMP3NPP COL application incorporates by reference AREVA NP's application for a Standard Design Certification for the U.S. EPR. Additionally, the NMP3NPP COL application is based upon the U.S. EPR reference COL (RCOL) application for UniStar's Calvert Cliffs Nuclear Power Plant, Unit 3 (CCNPP3). The NRC docketed the NMP3NPP COL application on December 12, 2008. On March 31, 2009, UNE submitted Revision 1 to the COL application, including updates to the Final Safety Analysis Report (FSAR). On December 1, 2009, UniStar Nuclear Energy (UNE), acting on behalf of the COL applicant's Nine Mile Point 3 Nuclear Project, LLC, and UniStar Nuclear Operating Services, LLC, requested that the NRC temporarily suspend the NMP3NPP COL application review, including any supporting reviews by external agencies, until further notice. Based on this request, the NRC discontinued all review activities associated with the NMP3NPP COL application. By letter to the NRC dated December 9, 2010, UNE requested a one-time exemption from the 10 CFR 50.71(e)(3)(iii) requirements to submit the scheduled 2010 and 2011 COL application FSAR updates, and proposed for approval of a new submittal deadline of December 31, 2012, for the next FSAR update. The NRC granted the exemption as described in **Federal Register** Notice (FRN) 76 FR 32994 (June 7, 2011). The NRC is currently performing a detailed review of the CCNPP3 RCOL application, as well as AREVA NP's application for design certification of the U.S. EPR.

2.0 Request/Action

The regulations specified in 10 CFR 50.71(e)(3)(iii), require that an applicant for a combined license under 10 CFR part 52 shall, during the period from docketing of a COL application until the Commission makes a finding under 10 CFR 52.103(g) pertaining to facility operation, submit an annual update to the application's Final Safety Analysis Report (FSAR), which is a part of the application.

Pursuant to 10 CFR 50.71(e)(3)(iii), the next annual update of the NMP3NPP COL application FSAR would be due in December 2012. By letter to the NRC dated November 27, 2012, UNE
