Public Reporting burden of this collection of information is estimated at 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NW, MS D-74, Atlanta, GA 30333; Attn: PRA (0920-XXXX).

ExpertLens Screenshots

The screenshot shows a web browser window with the URL https://ramos.rand.org/ExpertLens/participant_elicitation.php?sid=112. The browser's address bar and tabs are visible. The page header includes the RAND ExpertLens logo and navigation links for Home and Logout. The main content area is titled "MVIP: Round One" and "Child Bicycle Helmet Laws". It contains five numbered questions, each with a text input field followed by a percentage sign. The questions are:

1. On average, what percent of children ride bikes?
 %
2. On average, what percent of children who ride bikes don't wear helmets with a law in place?
 %
3. On average, what percent of parents/children would have to purchase helmets that otherwise would not have purchased them without the law?
 %
4. On average, what percent of kids not wearing helmets might be the subject of enforcement each year?
 %
5. On average, how many staff person(s) would be needed to manage the program and education campaign from a state level?

At the bottom of the survey area, there is a "Next" button.

MVIP: Round One

Limits on Diversions and Plea Agreements

1. From the Uniform Criminal report we know how many DUI arrests occur. Of these what percentage would be subject to Limits on Diversions or plea agreements?
 %

2. On average, how many staff person(s) would be needed to manage the program and education campaign from a state level?

3. What percentage of arrests will receive parole?
 %

4. In your experience, prior to restrictions on plea agreements and diversion program how many days/hours on average were involved in court for the typical DWI/ DUI offense?
