IT IS SHOCKING THAT THESE BEST PRACTICES HAS NOT BEEN PUT INTO PLACE AND REQUIRED IN 2012. CERTAINLY CDC SHOWS HOW BACKWARD IT IS BYT REVEALING THAT LITTLE HAS BEEN DONE AND REQUIRED IN THIS AREA OF SAFETY FOR AMERICA. THERE SEEM TO BE MGT AND EMPLOYEE PROBLEMS AT CDC SO THAT THE WORK EVOLVING FROM THIS GOVT AGENCY IS COMPLETELY SUBSTANDARD. THE REVOLVING DOOR MUST BE SPINNING THEIR HEADS AS THEY CONTEMPLATE BIG WAGES AT BIG PHARMA. THIS GROUP HAS NOT BEEN DOING AN ADEQUATE JOB FOR THE AMERICAN PUBLIC. WE NEED SHUT DOWN AT CDC. LETS START FRESH. THIS COMMENT IS FOR THE PUBLIC RECORD.

i am shocked that even though this subject has been important for the last 50 years, this agency took until 2012 to take any action on looking into best practices. shows a real lack of attention to detail and safety at this agency. i am shocked that you never did anything about this. this comment is for the public record. jean public
