

0%

In this survey we will be asking questions about:

- Farming
- General Health
- Family Medical History

We hope that you will be willing to answer all the questions, but if for some reason you prefer not to answer certain questions, the survey will allow you to do so.

When we ask for dates or ages, if you can't remember the exact year or how old the study participant was when something happened, please give us your best guess. When we ask how many years the study participant did something, please round to the nearest whole number.

After you have completed the entire survey, please remember to click on the 'Submit' button so that we will know you have completed it.

The following questions ask about drinking alcoholic beverages including beer or ale, wine, wine coolers, champagne, mixed drinks, and liquor.

When you are asked about a "drink," think about a 12-ounce bottle or can of beer, a 5-ounce glass of wine or champagne, one wine cooler, one shot of liquor, or one mixed drink or cocktail.
