

Attachment 3: Reminder Email

You may have recently noted receipt of an email invitation for the US NIH/NCI BBRB Survey. This is a reminder that we have not yet received your completed biobank economic modeling tool (BEMT) survey. Please note that the window for submission will close on “X”. We look forward to receiving your submission. In the interim, if we may be of assistance, please contact Lisa Miranda at lisabmiranda@provia labs.com.

Sincerely, Helen M. Moore Ph.D., Jeff McLean, Howard Greenman and Lisa Miranda
on behalf of the entire BEMT Project Team
