

## **Justification for Nonsubstantive Change to a Currently Approved Collection**

**OMB Control Number: 1010-0151**  
**ICR Reference No.: 201302-1010-002**

---

On January 28, 2013, BOEM published a notice in the *Federal Register* (78 FR 5836) adjusting some service fees for inflation. Regulations under § 550.125 and § 556.63 provide the authority for BOEM to adjust a number of its cost recovery service fees on an annual basis; however, these fees were last updated in 2008. Three fees in the collection for 30 CFR 550, Subpart B, were affected; therefore, BOEM is making a nonsubstantive change to this collection to reflect the updated non-hour cost burdens. These fee adjustments became effective February 2, 2013.

§ 550.211(d) \$3,442 to \$3,673  
§ 550.241(e) \$3,971 to \$4,238  
§ 550.296(a) \$25,629 to \$27,348
