Dear Resident,

About five weeks ago we mailed you a survey for a study at Cape Lookout National Seashore. As of today we have not received your completed questionnaire and the period to receive completed questionnaires has come to a close. I am writing to let you know that we would still appreciate hearing from you. We hope that you will take a couple of minutes to complete and return the information on this survey card. This card consists of a few questions that will help us to know a little something about the people receiving our surveys. This remaining information will help us complete the survey process.

Sincerely,
