

**SUPPORTING STATEMENT**  
**(Form 8872)**

**1. CIRCUMSTANCES NECESSITATING COLLECTION OF INFORMATION**

Public Law 106-230 amended section 527 to add new section 527(j) to require section 527 organizations to report contributions received and expenditures made after July 1, 2000. Every section 527 political organization that accepts a contribution or makes an expenditure for an exempt function during the calendar year must file Form 8872, except for:

- A political organization that is not required to file Form 8871, or
- A state or local committee of a political party or political committee of a state or local candidate.

**2. USE OF DATA**

The IRS is required by section 6204(a)(1)(A) to make the information on Form 8872 available to the public at Internal Revenue Service offices.

**3. USE OF IMPROVED INFORMATION TECHNOLOGY TO REDUCE BURDEN**

We are currently offering electronic filing for Form 8872.

We have attempted to eliminate duplication within the agency wherever possible.

**8. CONSULTATION WITH INDIVIDUALS OUTSIDE OF THE AGENCY ON AVAILABILITY OF DATA, FREQUENCY OF COLLECTION, CLARITY OF INSTRUCTIONS AND FORMS, AND DATA ELEMENTS**

Periodic meetings are held between IRS personnel and representatives of the American Bar Association, the National Society of Public Accountants, the American Institute of Certified Public Accountants, and other professional groups to discuss tax law and tax forms. During these meetings, there is an opportunity for those attending to make comments regarding Form 8872.

In response to the **Federal Register Notice** (78 FR 5562), dated **January 25, 2013**, we received no comments during the comment period regarding Form 8872.

**12. ESTIMATED BURDEN OF INFORMATION COLLECTION**

The burden estimate is as follows:

	<u>Responses</u>	<u>Response</u>	<u>Time per Hours</u>	<u>Number of Total</u>
Form 8872	40,000		10.78	431,200

Estimates of the annualized cost to respondents for the hour burdens shown are not available at this time.

**13. ESTIMATED TOTAL ANNUAL COST BURDEN TO RESPONDENTS**

As suggested by OMB, our **Federal Register Notice** dated **January 25, 2013 (78 FR 5562)**, requested public comments on estimates of cost burdens that are not captured in the estimates of burden hours, i.e., estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. However, we did not receive any response from taxpayers on this subject. As a result, estimates of these cost burdens are not available at this time.

**14. ESTIMATED ANNUALIZED COST TO THE FEDERAL GOVERNMENT**

The primary cost to the government consists of the cost of printing Form 8872. We estimate that the cost of printing the form is \$2000.

There are no changes to the form or burden previously approved by OMB.

This submission is for renewal purposes.

**17. REASONS WHY DISPLAYING THE OMB EXPIRATION DATE IS INAPPROPRIATE**

See attachment.

**18. EXCEPTIONS TO THE CERTIFICATION STATEMENT ON OMB FORM 83-I**

Not applicable.

**Note:** The following paragraph applies to all of the collections of information in this submission:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

**OMB EXPIRATION DATE**

We believe the public interest will be better served by not printing an expiration date on the form(s) in this package.

Printing the expiration date on the form will result in increased costs because of the need to replace inventories that become obsolete by passage of the expiration date each time OMB approval is renewed. Without printing the expiration date, supplies of the form could continue to be used.

The time period during which the current edition of the form(s) in this package will continue to be usable cannot be predicted. It could easily span several cycles of review and OMB clearance renewal. In addition, usage fluctuates unpredictably. This makes it necessary to maintain a substantial inventory of forms in the supply line at all times. This includes supplies owned by both the Government and the public. Reprinting of the form cannot be reliably scheduled to coincide with an OMB approval expiration date. This form may be privately printed by users at their own expense. Some businesses print complex and expensive marginally punched continuous versions, their expense, for use in their computers. The form may be printed by commercial printers and stocked for sale. In such cases, printing the expiration date on the form could result in extra costs to the users.

Not printing the expiration date on the form(s) will also avoid confusion among taxpayers who may have identical forms with different expiration dates in their possession.

For the above reasons we request authorization to omit printing the expiration date on the form(s) in this package.
