

**TABLE OF CHANGES**

**Form N-600K**

**31 January 2013**

**OMB RIN 1615-0087**

**Reason for Revision:** USCIS is revising the template of the form to make it more user-friendly and easier to complete, as well as to accommodate enhancements to USCIS intake systems for Lockbox processing. USCIS is also revising the form to collect telephone numbers; e-mail addresses; and for the qualifying relative or guardian the social security number, Certificate of Citizenship number, and alien number, as applicable; U.S. Armed Forces membership information; and the foreign address of the preparer if applicable. USCIS does not anticipate that the revisions will result in any increase in time burden to complete the form and review the instructions overall, as the main focus was reformatting to provide clarity for the applicants.
