

RETRIEVABILITY:

Records for Confidential Informants are retrieved by ICE by their numerical identifier or the associated ICE investigative case number. Other source records are retrieved by ICE investigative case number, individual's name or alias (source, subject or other person connected with the investigation), the ICE field office which received the information, and the date the information was received.

SAFEGUARDS:

Records in this system are safeguarded in accordance with applicable rules and policies, including all applicable DHS automated system security access policies. Strict controls have been imposed to minimize the risk of compromising the information that is being stored. Access to the computer system containing the records in this system is limited to those individuals who have a need to know the information for the performance of their official duties and who have appropriate clearances or permissions.

RETENTION AND DISPOSAL:

ICE is seeking approval for a records retention schedule for the records described in this system of records. ICE proposes to maintain both electronic and paper-based records pertaining to Confidential Informants in active form at ICE Headquarters for five (5) years past the date of an individual's deactivation from being a Confidential Informant. The records will then be archived and retained at ICE Headquarters for an additional fifty (50) years, following which the records will be destroyed.

The retention and disposal period listed in the existing system of records notice will continue to be applicable for paper-based records pertaining to Confidential Informants maintained at ICE field offices as well as records pertaining to Non-Confidential Sources and individuals reported by Confidential Informants and Non-Confidential Sources. Records are maintained until the end of the fiscal year in which the related investigative file is closed. The records are then transferred to the Federal Records Center five (5) years after the end of that fiscal year. The records are then destroyed fifty (50) years after the end of the fiscal year in which the related investigative file is closed. Disposal of paper files occurs by burning or shredding; electronic data is disposed of using methods approved by the DHS Chief Information Security Officer.

SYSTEM MANAGER AND ADDRESS:

Investigative Services Division, Office of
Investigations, ICE Headquarters,
Potomac Center North, 500 12th St. SW.,
Washington, DC 20024.

NOTIFICATION PROCEDURE:

The Secretary of Homeland Security has exempted this system from the notification, access, and amendment procedures of the Privacy Act because it is a law enforcement system. However, DHS/ICE will consider individual requests to determine whether or not information may be released. Thus, individuals seeking notification of and access to any record contained in this system of records, or seeking to contest its content, may submit a request in writing to ICE's FOIA Officer, whose contact information can be found at <http://www.dhs.gov/foia> under "contacts." If an individual believes more than one component maintains Privacy Act records concerning him or her, the individual may submit the request to the Chief Privacy Officer and Chief Freedom of Information Act Officer, U.S. Department of Homeland Security, 245 Murray Drive SW., Building 410, STOP-0550, Washington, DC 20528.

When seeking records about yourself from this system of records or any other Departmental system of records your request must conform with the Privacy Act regulations set forth in 6 CFR Part 5. You must first verify your identity, meaning that you must provide your full name, current address and date and place of birth. You must sign your request, and your signature must either be notarized or submitted under 28 U.S.C. 1746, a law that permits statements to be made under penalty of perjury as a substitute for notarization. While no specific form is required, you may obtain forms for this purpose from the Chief Privacy Officer and Chief Freedom of Information Act Officer, <http://www.dhs.gov/foia> or 1-866-431-0486. In addition you should:

- Explain why you believe the Department would have information on you;
- Identify which component(s) of the Department you believe may have the information about you;
- Specify when you believe the records would have been created; and
- Provide any other information that will help the FOIA staff determine which DHS component agency may have responsive records.

If your request is seeking records pertaining to another living individual, you must include a statement from that

individual certifying his/her agreement for you to access his/her records.

Without the above information, the component(s) will not be able to conduct an effective search, and your request may be denied due to lack of specificity or lack of compliance with applicable regulations.

RECORD ACCESS PROCEDURES:

See "Notification procedure" above.

CONTESTING RECORD PROCEDURES:

See "Notification procedure" above.

RECORD SOURCE CATEGORIES:

Records are obtained from other federal, state, local, tribal, and territorial law enforcement agencies, Confidential Informants, and any other sources of information including members of the public.

EXEMPTIONS CLAIMED FOR THE SYSTEM:

Pursuant to exemption 5 U.S.C. 552a(j)(2) of the Privacy Act, portions of this system are exempt from 5 U.S.C. 552a(c)(3) and (4); (d); (e)(1), (e)(2), (e)(3), (e)(4)(G), (e)(4)(H), (e)(5) and (e)(8); (f), and (g).
