PRIVACY ACT STATEMENT:

Authority: The authority for collecting this information is 49 U.S.C. 114, 114note, and 5103a.

Principal Purpose(s): This information is needed to verify your identity and to conduct a security threat assessment to evaluate your suitability for the Hazardous Materials Endorsement Threat Assessment Program. Furnishing this information, including your SSN or alien registration number, is voluntary; however, all information provided during the enrollment process assists in the timely processing of your security threat assessment. Failure to provide it will delay and may prevent completion of your security threat assessment..

Routine Uses: Routine uses of this information include disclosure to the FBI to retrieve your criminal history record; to TSA contractors or other agents who are providing services relating to the security threat assessments; to appropriate governmental agencies for licensing, law enforcement, or security purposes, or in the interests of national security; and to foreign and international governmental authorities in accordance with law and international agreement.

PAPERWORK REDUCTION ACT STATEMENT:

Statement of Public Burden: This is a voluntary collection of information, but failure to provide the information may result in an inability to approve your eligibility for the requested TSA program or benefit. TSA estimates that the total average burden per response associated with this collection for enrollment is approximately 30 minutes. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The control number for this collection is OMB 1652-0027.
