

U.S. Department of Energy

OMB Disclosure Statement

Public reporting burden for this collection of information is estimated to average two minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information including suggestions for reducing this burden, to Office of Security, HS-50, , GTN, Paperwork Reduction Project (1910-5122), U.S. Department of Energy, 1000 Independence Ave., SW, Washington, DC 20585-1290; and to the Office of Management and Budget (OMB), Paperwork Reduction Project (1910-5122), Washington, DC 20503.

ACKNOWLEDGMENT AND AGREEMENT TO PARTICIPATE IN THE HUMAN RELIABILITY PROGRAM (HRP)

I, _____, acknowledge that I am seeking to occupy or retain an HRP position.

I recognize that the Department of Energy (DOE) has the highest of national security, safety, and public health interests in assuring that individuals occupying HRP positions meet the highest standards of human reliability.

I acknowledge that I have been advised of the requirements for occupying, or continuing to occupy, an HRP position. I have also been advised of my responsibilities under the program. The HRP components, including supervisory review, medical assessment, psychological examination, testing for the use of illegal drugs, random alcohol testing, management recommendation, and the DOE security review and clearance determination, have been fully explained to me.

I hereby consent and agree to submit to all components under the HRP and further consent and agree to cooperate fully with _____ (contractor) and/or the DOE in the assessment of my eligibility or certification to an HRP position.

Privacy Act Statement

Sections 2165 and 2201(I) of title 42 of the United States Code authorize the collection of information by the U.S. Department of Energy (DOE) to regulate the possession and use of special nuclear material and access to restricted data. DOE will use the information collected on this form to aid in the determination of an individual's eligibility for an HRP certification. The information may also be provided to other agencies of the United States government for investigations that involve protection of the national security, public health and safety, or the environment. Submission of the information requested on this form is voluntary, but failure to provide the information may result in denial of an HRP certification. If DOE uses the information for purposes other than those indicated in this statement, it will provide notice of those additional purposes to persons who have submitted information on this form.
