Title of Proposal: Statutorily-Mandated Collection of Information for Tenants in LIHTC Properties.

Description of the need for the information and proposed use: Section 2835(d) of the Housing and Economic Recovery Act, or HERA, (Pub. L. 110-289, approved July 30, 2008) amends Title I of the U.S. Housing Act of 1937 (42 U.S.C. 1437 *et seq.*) (1937 Act) to add a new section 36 (to be codified as 42 U.S.C. 1437z-8) that requires each state agency administering tax credits under section 42 of the Internal Revenue Code of 1986 (low-income housing tax credits or LIHTC) to furnish HUD, not less than annually, information concerning the race, ethnicity, family composition, age, income, use of rental assistance under section 8(o) of the U.S. Housing Act of 1937 or other similar assistance, disability status, and monthly rental payments of households residing in each property receiving such credits through such agency.

New section 36 requires HUD to establish standards and definitions for the information to be collected by state agencies and to provide states with technical assistance in establishing systems to compile and submit such information and, in coordination with other federal agencies administering housing programs, establish procedures to minimize duplicative reporting requirements for properties assisted under multiple housing programs. In 2010, OMB approved the first collection instrument used for the collection of LIHTC household information (OMB Approval No. 2528-0165, expiration date 05/31/2013). HUD used the previously approved form to collect data on LIHTC tenants in 2009, 2010 and 2011. Renewal of this form is required for HUD to remain in compliance with the statute.

OMB Approval Number: 2528-0165.

Agency form numbers: None.

Members of Affected Public: There are sixty state and local housing finance agencies which allocate low-income housing tax credits and conduct program compliance. HERA directs these agencies to submit the requested data to HUD.

Estimation of the total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: This data collection includes two forms, one requesting data on properties placed in service in a single calendar year and a second requesting data on all tenants in LIHTC-subsidized units, and will be conducted annually. HUD expects completion of the properties placed in service form to average approximately eight person-hours per respondent. HUD expects completion of the tenant form to average approximately forty person-hours per respondent. In combination, the overall response burden totals 48 person-hours per respondent. The total estimated annual burden across all respondents for this data collection is 2,880 hours (60 respondents × 48 hours per respondent).

Status of the proposed information collection: Pending OMB approval.

Authority: Section 2835(d) of the Housing and Economic Recovery Act, Public Law 110-289, Title I of the U.S. Housing Act of 1937 (42 U.S.C. 1437 *et seq.*)

Dated: December 20, 2012.

Erika C. Poethig,

Acting Assistant Secretary for Policy Development and Research.
