Re: Justification Statement for Non-Substantive Revision to CFTC Form TCR

Attached is a revised version of the CFTC's Form TCR (OMB Control Number 3038-0082). The single revision, redlined and found on pages 9 and 10, is the addition of a sentence regarding our confidentiality provisions, which was recommended by the CFTC's Office of the Inspector General as part of an audit of the whistleblower program. The revision does not change the purpose of the form, or the content of the information collected.
