1.0 GENERAL INFORMATION

1.1 System Overview

SBA is collecting this information for the purpose of monitoring the performance of Microloan Program Intermediary Lenders. SBA is collecting this information pursuant to the rules and regulations establishing the Microloan Program in Section 7(m)(1)(A) of the Small Business Act (15 U.S.C. 636(m)(1)(a)).

In order to verify that the statutory purpose of the Microloan Program is met, SBA must collect data relating to the small business concerns assisted by the program. The collection of business and personal information may implicate the Trades Secret Act and the Privacy Act respectively. However, the information collected will be protected to the maximum extent permitted by law, including the Freedom of Information Act, 5 USC 552 and the Privacy Act, 5 USC 552a.

Microloan Program data is collected via the Microloan Program Electronic Reporting System (MPERS). MPERS is a web-enabled system that is accessed through the General Login System (GLS) at https://eweb.sba.gov/gls/dsp_login.cfm. The menu is dynamically-built based on the user's role. See Section 3.1 of this document for instructions on how to request access to a User ID and password for access to MPERS.

This system broadly keeps track of the following information about Microlenders, Microloans and Microborrowers:

- Microlender Information Lender Name, Address, Phone and Fax Numbers, Program Start Date, and Program End Date.
- Microloan Information Identifying information about loans that the Microlender makes. This includes Portfolio status information, percent of woman ownership in business, Loan Amount, Interest Rate and Terms, Number of Hours, Organization Type, NAICS Code, Urban/Rural Code, Number of Employees Created and Retained, SBA Loan Number and Lender Loan Number.
- Microborrower Information Identifying information about borrowers (businesses or people) who receive loans from Microlenders. This includes Tax Id number, Name, Address, Phone and Fax Numbers, Date the Business was formed, Veterans Status, and Ethnicity/Race.
- Allows Microlenders to enter participant information.
- Provides the ability for Microlenders to submit quarterly and Annual Audits online.
- Provides the ability for Microloan Program Office staff to review and analyze, provide feedback and approve these reports online.
- Captures Technical Assistance (TA)/ Training data in the MPERS system.
- Online submission and review of TA / Training narrative quarterly.
- Captures Participants who receive Technical Assistance in the system.
- Online reporting of MRF/LLRF quarterly data.
- Captures intermediary's technical assistance milestones in the system.
- Provides ability for Microloan Program Office to generate reports on TA / Training data.

1.2 Authorized Use Permission

This is a Federal computer system and is the property of the United States Government. It is for authorized use only. Users (authorized or unauthorized) have no explicit or implicit expectation of privacy in anything viewed, created, downloaded, or stored on this system, including e-mail, Internet, and Intranet use. Any or all uses of this system (including all peripheral devices and output media) and all files on this system may be intercepted, monitored, read, captured, recorded, disclosed, copied, audited, and/or inspected by authorized Small Business Administration (SBA) personnel, the Office of Inspector General (OIG), and/or other law enforcement personnel, as well as authorized officials of other agencies, both domestic and foreign. Access or use of this computer by any person, whether authorized or unauthorized, constitutes consent to such interception, monitoring, reading, capturing, recording, disclosure, copying, auditing, and/or inspection at the discretion of authorized SBA personnel, law enforcement personnel (including the OIG), and/or authorized officials of other agencies, both domestic and foreign. Unauthorized use of, or exceeding authorized access to, this system is prohibited and may constitute a violation of 18 U.S.C. § 1030 or other Federal laws and regulations and may result in criminal, civil, and/or administrative action. Additionally, aggregated information provided in MPERS may be shared with Congressional offices based on statutory requirements to submit reports to Congress. By using this system, users indicate awareness of, and consent to, these terms and conditions and acknowledge that there is no reasonable expectation of privacy in the access or use of this computer system.

4.2 Using the Enhancements to the Microloan System (Intermediary)

The following sections describe screens that an Intermediary will access to perform actions related to Microloan Program reporting requirements.

4.2.1 Intermediary Dashboard

Use this screen to submit reports to Microloan Program Office and to view current status of reports in the Intermediary's work queue. Records in the dashboard are created and managed by the system depending on the status of the report. This screen is accessible from the left-hand navigation menu.

Definition of Terms on the Intermediary Dashboard Screen

Status: Select the status to filter by. The status of the Report is defined below.

Value	Definition
Pending	 Indicates reports that are in a Pending Status in the Intermediary's Queue and that should be submitted to Microloan Program Office.

	• In this status, action can be taken only by the Intermediary.
Review In Progress	 Indicates reports that have been submitted by the Intermediary and are now in a Review In Progress Status in the Analyst's Queue.
	 In this status, action can be taken only by the Analyst.
Unresolved Issues	 Indicates reports that have been reviewed by the Analyst and returned to the Intermediary for unresolved issues. Reports are in Unresolved Issues Status and require input from the Intermediary.
	• In this status, action can be taken only by the Intermediary.
Unresolved Issues	• In this status, action can be taken only by the Intermediary for the Annual TA Milestones.
Unlocked	 This status is only for the Annual Budget and Annual TA Milestones records. Indicates reports that are in an Unlocked Status that need to be resubmitted.
	 Unlocked Annual TA Milestones can be edited and resubmitted by the Intermediary only.
	 Unlocked Annual Budget can be resubmitted by the Analyst only.
Approved	 Indicates reports that have been reviewed by Microloan Program Office and approved.
	• No action can be performed in this state.

Action Required: Action that needs to performed on the selected report.
