Subpart B-Export Enhancement Program Operations - Microsoft Internet Explorer provided ... _ □ X

(xiv) The eligible exporter is providing any other certification required by the applicable Invitation.

Any eligible exporter which is unable to make the certifications specified in this subparagraph (c)(20) must provide a written statement to that effect to CCC and may include any explanation or any additional information for the consideration of CCC. CCC will reject an offer if the eligible exporter states that it is unable to provide the required certifications, unless CCC determines that acceptance of the offer would be in the best interests of the [DEIP]
