Gulf of Mexico Charter Fishing Survey

REMINDER

Last week a questionnaire seeking information on your preferences for saltwater sportfishing was mailed to you. If you have already completed and returned the questionnaire to us, please accept our sincere thanks. If not, please do so today.

The survey is being sent to a select sample of anglers so it is extremely important that we hear from you. Your response ensures that the study results reflect the preferences and opinions of a wide range of anglers.

If by some chance you did not receive the questionnaire,
or it got misplaced, please call
