2012-2013 SURVEY FOR ADMINISTRATORS OF PUBLICLY-FUNDED HEALTH CENTERS THAT PROVIDE FAMILY PLANNING

Public reporting burden of this collection of information is estimated to average 40 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road, MS D-74, Atlanta, GA 30333, ATTN: PRA (0920-xxxx).

Your responses will be maintained in a secure manner. This survey has been approved by the Centers for Disease Control and Prevention as non-research public health practice.

Please answer each of the following questions as they relate to the health center at which you received this survey.

- If you are a part of a multi-site agency, feel free to consult with your parent agency to answer
 questions as needed or as may be required by your agency. However, most questions relate to this
 specific clinic or center (not to the parent agency).
- If you work for an agency that oversees more than one clinic or center, please answer only for the one center or clinic at which you received this survey.
- The information will <u>not</u> be used to assess compliance with federal or other regulations or as part of your agency's performance reviews.

Please log in by entering the unique ID and password provided on your survey's cover sheet.
