Online Welcome Message and Consent Form

Thank you for agreeing to help the Centers for Disease Control and Prevention (CDC) evaluate the Solve the Outbreak iPad app. Your feedback is extremely important. We anticipate that it will take approximately 5 minutes to complete these questions.

Your responses to all questions will be kept in a secure manner. All information is used for evaluation purposes only, and CDC does not plan to share the data with anyone outside CDC.

To proceed through the survey, select your answer for each question and click “Agree & Continue”.

Public reporting burden of this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-0956)
