### SMOK Guardian E-pipe II

Email to a friend Be the first to review this product

The smartest and most sophisticated e-pipe on the market!

The SMOK Guardian Epipe Mod II is luxurious, comfortable to hold variable wattage e-pipe mod made of real solid wood and stainless steel. (This is the stainless steel button version, rather than gold.)

The wattage can be adjusted from 6w-15w using a Magnet Switch button that has a spring loaded conductive structure for stable performance.

There is a LED light on top of the mod which lights up White indicating 6w to 10w output wattage, and when it lights Blue it indicates 11w to 15w output wattage.

- Variable wattage 6W to 15W
- Integrated activation LED indicator
- Spring-loaded conductive structure installed under activation button for reliable release after operation
- Supports 18350 battery
- S10 / eGo - Compatible with all your favourite clearomizers and atomizers.

It comes with one 18350 battery (separate charger required).

Two high quality IMR 18350 batteries and a dual battery charger are available as optional extras if required.

### CMU College Of Medicine

May 8 at 5:28am · 🌐

Research on e-cigarette vapor by Neeraj Vij, an associate professor with the CMU College of Medicine, was published last month. The conclusion: The vapor follows the same path as cigarette smoke and second-hand smoke, disrupting how cells work and setting up conditions for emphysema.

#### CMU researcher: E-cigarette vapor could lead to emphysema | Central Michigan University

CMU research indicates health risks exist from smoking e-cigarettes.
