Home Health Change of Care Notice (HHCCN)

Your home health care is going to change. Starting on ___*[date]*_____ , your home health agency will change the following items and/or services for the reasons listed below.

Items/services:	**Reason for change:**

Read the information next to the checked box below. Your home health agency is giving you this information because:

☐	**Your doctor's orders for your home care have changed.** The home health agency must follow physician orders to give you care. The home health agency can't give you home care without a physician's order. If you don't agree with this change, discuss it with your home health agency or the doctor who orders your home care.
☐	**Your home health agency has decided to stop giving you the home care listed above.** You can look for care from a different home health agency if you have a valid order for home care and still think you need home care. If you need help finding a different home health agency to give you this care, contact the doctor who ordered your home care. If you get care from a different home health agency, you can ask it to bill Medicare.

If you have questions about these changes, you can contact your home health agency and/or the doctor who orders your home care.

You cannot appeal to Medicare about payment for the items/services listed above unless you both receive them and a Medicare claim is filed.
