INSTRUCTIONS FOR APPLICATION FOR APPROVAL AS A NONPROFIT BUDGET AND CREDIT COUNSELING AGENCY

Introduction. A nonprofit budget and credit counseling agency seeking probationary or annual approval by the United States Trustee, in accordance with 11 U.S.C. § 111, (hereinafter “Agency”) shall submit an application to the Executive Office for United States Trustees (EOUST) in the form described below. The Agency shall provide all information and documents required by the EOUST or the United States Trustee responsible for each judicial district in which the Agency seeks approval. Unless otherwise stated, the application and appendices shall be type-written, using the space provided on the form, as well as attachments if necessary.

Deadline for Submission of Application for Re-Approval. Unless terminated earlier, an Agency’s approval to provide budget and credit counseling services terminates at the conclusion of either the initial six-month probationary period, if the Agency was not approved previously, or the annual approval period. To ensure the timely review and re-approval of agencies, applications for re-approval must be submitted to the EOUST no earlier than sixty (60) days and not later than forty-five (45) days prior to the expiration of the applicable time period. Failure to submit the application within the required time period may result in expiration of the Agency’s approval and removal from the list of approved nonprofit budget and credit counseling agencies.

Mailing Instructions, Information Requests, and Notifications. The application package should include the completed application, all documents and information requested. Once completed, the entire package, including all supplemental documents and information, should be sent by one of two permissible delivery methods:

(1) By electronic mail to the following address:

ccapp@usdoj.gov

The application may be submitted in one or more email transmissions to accommodate file size limitations. The maximum size of any email is 10 MB. Please include the Agency’s name (and agency number, if previously assigned) in the subject line of all email transmissions. Retain the original application for your records.

(2) By overnight mail to the following address:

Executive Office for U.S. Trustees
Credit Counseling Application Processing
441 G Street, N.W., Suite 6150

Supplemental information requests and notifications will be sent to the principal contact identified in the application. Responses to requests should be submitted to the address stated above unless otherwise instructed. The Agency has a continuing duty to promptly notify the EOUST of any circumstances that would materially alter or change a response to any section of the application. Notification must be in writing, signed by an authorized official, and include all pages of the application and/or appendices that are affected by the change. Notification shall be transmitted in the same manner as the application.

Applications should be completed in their entirety before submission. An incomplete application may result in delay or denial of the application. Upon receipt of the application, the Agency will, as soon thereafter as practical, receive an acknowledgment that the application has been received.

If an Agency, after submitting an amended application, is approved to provide credit counseling services in any judicial district where it was not previously approved, the approval for the additional judicial district(s) shall terminate in conjunction with the expiration of the last approved application.

3. Complete Section 1 of the Application.

Section 2. Status as a Nonprofit Organization

1. Nonprofit. The Agency must be organized and operated as a nonprofit entity and have an independent board of directors, board of trustees, or other governing body, the majority of which – (i) are not employed by such Agency and (ii) will not directly or indirectly benefit financially from the outcome of the counseling services provided by such Agency. An Agency should avoid any conduct or transactions that generate or create the appearance of generating a private benefit for any individual or group related or connected to the Agency.
2. Complete Section 2 of the Application.

 3. Compliance with Laws and Regulations. The Agency must be in compliance with all applicable laws and regulations of the United States and each state, commonwealth, district, or territory of the United States in which the Agency conducts counseling services.  4. Complete Section 3 of the Application.

Section 4. Counseling Services and Fees

1. Adequate Credit Counseling Services. An Agency shall provide, at a minimum, adequate briefings, budget analysis, and credit counseling services to clients that include an outline of available counseling opportunities to resolve a client's credit problems, an analysis of the client's current financial condition, discussion of the factors that caused such financial condition, and assistance in developing a plan to respond to the client's problems without incurring negative amortization of debt. The average length of an adequate counseling session is 60 to 90 minutes.
2. Prohibition Against Legal Advice. Unless authorized by law, a credit counselor employed by an approved nonprofit budget and credit counseling agency may not provide legal advice on any matter.
3. Providers of Telephone Services or Internet Services. In addition to meeting all other requirements, an Agency that provides telephone services or Internet services must demonstrate sufficient experience and proficiency in designing and providing services over the telephone or Internet.
4. Reasonableness of Fees. Fees, contributions, or payments received from clients for counseling services shall be reasonable in amount. The Agency must provide services without regard to a client's ability to pay and not withhold a certificate of counseling because of a client's inability to pay. The Agency must advise the client of the fee schedule before services are provided and inform the client that services are available for free or at a reduced rate based on a client's ability to pay.
5. Certificates of Counseling. The Agency agrees to issue certificates of counseling in conformance with the directives established by the EOUST or the United States Trustee.
 - The Agency shall issue a certificate to any client who completes credit counseling and a budget analysis, regardless of whether a client agrees to participate in a debt management plan and without regard to the client's ability to pay.
 - The Agency shall issue the certificate within one business day to a client after

completion of the required counseling and upon the earlier of the following: (1) a request by a client for the issuance of a certificate; or (2) the completion or termination of a counseling session, which may include the administration of a debt management plan.

- The Agency shall not charge a separate fee for the issuance of a certificate of counseling unless the Agency has clearly disclosed such fee before the initial credit counseling session.
- The Agency shall issue a certificate to each spouse whether counseling was provided separately or in a joint session.
- The Agency shall maintain adequate records to issue replacement certificates and to verify the authenticity of certificates filed by bankruptcy debtors.

6. Complete Section 4 of the Application.

Section 5. Qualifications of Counselors

1. Trained Counselors. The Agency must provide trained and experienced counselors.
2. Certification and Experience. A counselor shall be deemed to have adequate training and experience to provide credit counseling and budget analysis if the counselor is accredited or certified by a recognized independent organization, or has successfully completed a course of study acceptable to the United States Trustee and has worked a minimum of six months in a related area, including personal finance, budgeting, and debt management. The United States Trustee Program does not endorse any specific course or certification program. If a counselor has been trained or certified by an independent entity, additional information should be attached to Appendix D that outlines the course materials or certification program and the criteria for passing the course and/or obtaining certification.
3. Complete Section 5 of the Application.

Section 6. Administration of Debt Management Plans and the Safekeeping and Payment of Client Funds (This section applies only to Agencies offering debt management plans.)

1. Financial Security. The Agency must have adequate financial resources to provide continuing support services for debt management plans over the life of any plan, and provide for the safekeeping of client funds.
2. Banking. The Agency shall deposit all client funds into a trust account insured by a federal institution with respect to each client up to the maximum amount allowable by the federal institution.
3. Accounting. The Agency shall keep and maintain books, accounts, and records to provide a clear and readily understandable record of all business conducted by the Agency.
4. Bonding. Agencies that offer debt management plans must provide the following:

- A surety bond payable to the United States in an amount which is the lesser of: (1) two percent of the Agency’s prior year disbursements made from trust accounts; or (2) equal to the average daily balance maintained in all trust accounts for the six months prior to submission of the application. At a minimum, the bond must be \$5,000.
 - An Agency may receive an offset/credit in the surety bond amount required by the United States Trustee as follows: (1) the Agency has obtained a surety bond, or similar cash, securities, insurance (other than employee fidelity insurance), or letter of credit, in compliance with the requirements of the state, commonwealth, district, or territory (“state”) in which the Agency seeks approval from the United States Trustee; (2) the surety bond, or similar cash, securities, insurance (other than employee fidelity insurance), or letter of credit provides protection for the clients of the Agency; (3) the surety bond, or similar cash, securities, insurance, or letter of credit, must be written in favor of the state or the appropriate state agency; and (4) the offset/credit is based on the annual disbursements or average daily bank balance directly related to the clients in the particular state. *See Example 1 below.*
- Proof of adequate employee bonding or fidelity insurance. The amount shall be 50 percent of the surety bond amount calculated prior to any offset/credit that the Agency may receive for state bonds. At a minimum, the employee bond or fidelity insurance must be \$5,000.
 - An Agency may receive an offset/credit in the employee bond/fidelity insurance amount required by the United States Trustee as follows: (1) the Agency has obtained an employee bond or fidelity insurance in compliance with the requirements of a state, commonwealth, district, or territory in which the Agency seeks approval from the United States Trustee; (2) the deductible cannot exceed a reasonable amount considering the financial resources of the Agency; and (3) the offset/credit is based on the annual disbursements or average daily bank balance directly related to the clients in the particular state. *See Example 2 below.*

Example 1: Surety Bond Offset/Credit

An Agency with total annual disbursements of \$3,000,000 seeks approval in judicial districts located in three states. The disbursements for the clients in each state are \$1,000,000. State 1 has no bonding requirement; State 2 has a fixed surety bond of \$15,000; and State 3 has a bonding requirement of 10 percent of total annual disbursements. The Agency would determine the appropriate United States Trustee bonding requirement as follows:

State	Disbursements	2% Bond Requirement*	State Bond Amount	UST Bond Amount
1	\$1,000,000	\$20,000	\$0	\$20,000
2	\$1,000,000	\$20,000	\$15,000	\$5,000
3	\$1,000,000	\$20,000	\$100,000	\$0
Total				\$25,000
* In lieu of two percent of total annual disbursements, an Agency may use its average daily balance maintained in all trust accounts for the six months prior to submission of the application.				

To the extent that an Agency has offset/credited bonds obtained in compliance with state regulations, the Agency must provide a bond calculation, similar to the example above, with the original surety bond provided in compliance with the Application for Approval as a Nonprofit Budget and Credit Counseling Agency.

Example 2: Employee Bond/Fidelity Insurance Offset/Credit

An Agency with total annual disbursements of \$2,000,000 seeks approval in judicial districts located in two states. The disbursements for the clients in each state are \$1,000,000. State 1 has no employee bonding or fidelity insurance requirement and State 2 has an employee bonding or fidelity insurance requirement of 10 percent of monthly average disbursements (\$83,000). The Agency would determine the appropriate United States Trustee employee bonding or fidelity insurance requirement as follows:

State	Disbursements	Surety Bond Prior to Any Offsets/Credits*	50% of Surety Bond	State Insurance Amount	UST Insurance Amount
1	\$1,000,000	\$20,000	\$10,000	\$0	\$10,000
2	\$1,000,000	\$20,000	\$10,000	\$8,300	\$1,700
Total					\$11,700
* In lieu of the surety bond calculation based on total annual disbursement, an Agency may use the average daily balance maintained in all trust accounts for the six months prior to submission of the application.					

To the extent that an Agency has offset/credited employee bonding or fidelity insurance obtained in compliance with state requirements, the Agency must provide an insurance calculation similar to the example above when providing proof of the employee bonding or fidelity insurance in compliance with the Application for Approval as a Nonprofit Budget and Credit Counseling Agency.

5. Complete Section 6 of the Application.

Section 7. Activity Report for Approved Agencies (This section applies only to Agencies who have previously been approved by the United States Trustee and are seeking re-approval.)

1. Complete Section 7 of the Application. Upon application for re-approval, the Agency

must furnish an estimate of the information requested, projected to the end of either the probationary period or annual period. Within thirty (30) days after the completion of either the probationary period or annual period, the Agency must furnish an amended Appendix E which includes the actual information.

Section 8. Acknowledgments, Agreements, and Declarations

1. Agreement to Disclose Information to Clients. The Agency must provide full disclosure to a client, including funding sources, counselor qualifications, possible impact on credit reports, the cost of services to be paid by the client, and how the cost will be paid. A disclosure form must be provided to those clients seeking pre-bankruptcy counseling services regardless of whether they enter into a debt management plan. The Agency must advise the client of the fee schedule before services are provided and inform the client that services are available for free or at a reduced rate based on a client's ability to pay.
2. Acknowledgment of Prohibitions, Limitations, and Obligations Regarding Operations. By executing and submitting the Application for Approval as a Nonprofit Budget and Credit Counseling Agency, the Agency acknowledges the prohibitions, limitations, and obligations set forth in Appendix A, Acknowledgments, Agreements, and Declarations in Support of Application for Approval as a Nonprofit Budget and Credit Counseling Agency.
3. Complete Section 8 of the Application.

Section 9. Certification and Signature

The Agency's president, chairman, trustee, or other authorized official is required to declare, by signing the application, that such individual is authorized to complete the application on behalf of the Agency; that such individual has read and knows the contents of the application and all enclosures and attachments submitted; and that such individual affirms under penalty of perjury that all of the representations and statements contained therein are true and correct to the best of such individual's knowledge, information, and belief.
