FORM INSTRUCTIONS

WHEN TO FILE: A CVI authorized user may use this log to record information on CVI sharing.

WHERE TO FILE: There is no requirement to submit or maintain this record. However DHS encourages all CVI authorized users to maintain a CVI tracking log.

PAPERWORK REDUCTION ACT STATEMENT

In accordance with the Paperwork Reduction Act, no one is required to respond to a collection of information unless it displays a valid OMB Control Number. The valid OMB Control Number for this information collection is 1670-0015. The time required to complete this information collection is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
