This information collection is authorized by Section 901 of Division B of the Department of Defense, Emergency Supplemental Appropriations to Address Hurricanes in the Gulf of Mexico, and Pandemic Influenza Act, 2006 (Pub. L. 109-148; approved December 30, 2005), which authorized eligible PHAs to use their Calendar Year (CY) 2006 Capital Funds (section 9(d) of the U.S. Housing Act of 1937 (42 U.S.C. 1437 et seq.) (1937 Act)), Operating Funds (section 9(e) of the 1937 Act), and Housing Choice Voucher Funds (section 8(o) of the 1937 Act) interchangeably, to assist families who were receiving assistance under the 1937 Housing Act when Hurricanes Katrina and Rita occurred, and who were displaced from their housing by the hurricanes. Section 901 funding flexibility was extended to CY 2007, 2008, and 2009 program funding through Section 4803 of the U.S. Troop Readiness, Veterans' Care, Katrina Recovery, and Iraq Accountability Appropriations Act, 2007 (Public Law No. 110-28 enacted May 25, 2007), and Section 11003 of the Consolidated Security, Disaster Assistance, and Continuing Appropriations Act, 2009 (Public Law No. 110-329). The Section 901 fungibility plan template provides the Department with information on a PHA's plans for using this funding flexibility to assist the impacted families.

Public reporting burden for this information collection is estimated to average 40 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information, and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Responses to the collection of information are required to obtain a benefit or to retain a benefit. The information requested does not lend itself to confidentiality.
