

instance where the requester would want to complete this section. OPM added the OGIS suggested verbiage "By completing this section, you authorize information relating to you to be released to another person, such as a family member or legal counsel." OGIS recommended that in Section 6, Verification of Requester's Identity, OPM should change the verbiage, for clarity, from "the person named above" to "the person named in Section 2." OPM accepted the comment and changed the verbiage. OGIS recommended that in Section 7, because a requester is generally not required to state the purpose of his or her request, OPM replace the introductory sentence to state, "In the box below, you may wish to provide information about yourself and the purpose of your request to help us determine your fee category. While FOIA does not require a requester to state the purpose of a request, fees may be reduced based on the nature of the requester or purpose of the request." OPM accepted the comment and changed the verbiage. OGIS further recommended a rewrite in Section 7 to state, "I request a waiver or reduction of fees because I am (check one of the three options listed below):" so requesters may check all of the options that apply. This will provide clarity because fee waivers are different from fee categories, and the two are not mutually exclusive. OPM accepted the comment and changed the verbiage to state, "I request a waiver or reduction of fees because I am (check all options listed below that apply):".

received for this information collection.  
The purpose of this notice is to allow an  
additional 30 days for public comments.  
The Office of Management and Budget  
is particularly interested in comments  
that:

1. Evaluate whether the proposed  
collection of information is necessary  
for the proper performance of functions  
of OPM, including whether the  
information will have practical utility;

2. Evaluate the accuracy of OPM's  
estimate of the burden of the proposed  
collection of information, including the  
validity of the methodology and  
assumptions used;

3. Enhance the quality, utility, and  
clarity of the information to be  
collected; and

4. Minimize the burden of the  
collection of information on those who  
are to respond, including through the  
use of appropriate automated,  
electronic, mechanical, or other  
technological collection techniques or  
other forms of information technology,  
e.g., permitting electronic submissions  
of responses.

**DATES:** Comments are encouraged and  
will be accepted until April 29, 2013.  
This process is conducted in accordance
