4. Enter the State agency DUNS Number.
5. This space is reserved for an account number or other identifying numbers that may be assigned by the State agency.
8. Enter the month, day, and year of the beginning and ending of this Project/Grant period.
10. The purpose of vertical columns (1) through (20) is to provide financial data for each program, function, and activity for which the State agency received Federal program funds.
- 10a. Enter the cumulative net outlays previously reported. This amount should be the same as the amount reported in Line 10e of the last report. If there has been an adjustment to the amount shown previously, please attach explanation. Show zero if this is the initial report.
- 10b. Enter the total gross program outlays (less rebates, refunds, and other discounts) for this calendar quarter, including disbursements of cash realized as program income. For reports that are prepared on a cash basis, outlays are the sum of actual cash disbursements for goods and services, the amount of indirect expense charged, the value of in-kind contributions applied, and the amount of cash advances and payments made to contractors and subgrantees. For reports prepared on an accrual basis, outlays are the sum of actual cash disbursements, the amount of indirect expense incurred, the value of in-kind contributions applied, and the net increase (or decrease) in the amounts owed by the State agency for goods and other property received and for services performed by employees, contractors, subgrantees, and other payees.
- 10c. Enter the amount of all program income realized in this quarter that is required by the terms and conditions of the Federal grant to be deducted from total program costs. For reports prepared on a cash basis, enter the amount of cash income received during the reporting period. - 10j. Enter the Federal share of unliquidated obligations shown on line h. The amount shown on this line should be the difference between the amounts on lines h and i.
- 10k. Enter the sum of the amounts shown on lines g and j. If the report is final, the report should not contain any unliquidated obligations.
