

Reminder!

The National Institute for Occupational Safety and Health and 1199SEIU United Healthcare Workers East would like to remind you about participation in the Asthma in Healthcare Survey. The information you provide will improve our understanding of breathing problems among healthcare workers and inform strategies for prevention.

To participate please refer to the material previously mailed to you or visit our website.

Thank you again for your help.

<<Insert Website Address>>

You will need your personal identification (PID) number, from the material previously mailed to you, to access the online survey. If you do not have this material you can call the SEIU Communication Center at <<Insert Phone Number>> to receive your PID number or complete the survey by phone.

Reminder!

The National Institute for Occupational Safety and Health and 1199SEIU United Healthcare Workers East would like to remind you about participation in the Research to Inform the Prevention of Asthma In Healthcare Survey. Your participation will help researchers understand more about asthma among healthcare workers and inform strategies for prevention.

If you would like to participate please refer to this earlier material or visit our website.

Thank you again for your help.
