

**SUPPORTING STATEMENT  
(Form 8582-CR)**

**1. CIRCUMSTANCES NECESSITATING COLLECTION OF INFORMATION**

Section 469 limits passive activity credits that a taxpayer may use to offset tax. Passive activity credits are allowed only to the extent of the tax attributable to net passive income plus the tax attributable to the \$25,000 allowance for rental real estate reduced by any amount allowable under the passive activity loss rules, and 10% of any remaining passive activity credits if the activity was acquired before 10/23/86. Form 8582-CR is used to figure the passive activity credit allowed and the actual credits to be reported on the tax return.

**2. USE OF DATA**

The IRS uses Form 8582-CR to verify the credit allowed under the passive activity rules.

**3. USE OF IMPROVED INFORMATION TECHNOLOGY TO REDUCE BURDEN**

We are currently offering electronic filing on Form 8582-CR.

**4. EFFORTS TO IDENTIFY DUPLICATION**

We have attempted to eliminate duplication within the agency wherever possible.

these meetings, there is an opportunity for those attending to make comments regarding Form 8582-CR.

**13. ESTIMATED TOTAL ANNUAL COST BURDEN TO RESPONDENTS**

As suggested by OMB, our **Federal Register** Notice dated October 11, 2012, requested public comments on estimates of cost burden that are not captured in the estimates of burden hours, i.e., estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. However, we did not receive any responses from taxpayers on this subject. As a result, estimates of these cost burdens are not available at this time.

**14. ESTIMATED ANNUALIZED COST TO THE FEDERAL GOVERNMENT**

The primary cost to the government consists of the cost of printing the form. We estimate that the cost of printing the form is \$45,000.

**15. REASONS FOR CHANGE IN BURDEN**

There is no change in the paperwork burden previously approved by OMB. We are making this submission to renew the OMB approval.

**16. PLANS FOR TABULATION, STATISTICAL ANALYSIS AND PUBLICATION**

Not applicable.

**17. REASONS WHY DISPLAYING THE OMB EXPIRATION DATE IS INAPPROPRIATE**

See attachment.

**18. EXCEPTIONS TO THE CERTIFICATION STATEMENT ON OMB FORM 83-I**

Not applicable.

**Note:** The following paragraph applies to all of the collections of information in this submission:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

## **OMB EXPIRATION DATE**

We believe the public interest will be better served by not printing an expiration date on the form(s) in this package.

Printing the expiration date on the form will result in increased costs because of the need to replace inventories that become obsolete by passage of the expiration date each time OMB approval is renewed. Without printing the expiration date, supplies of the form could continue to be used.

The time period during which the current edition of the form(s) in this package will continue to be usable cannot be predicted. It could easily span several cycles of review and OMB clearance renewal. In addition, usage fluctuates unpredictably. This makes it necessary to maintain a substantial inventory of forms in the supply line at all times. This includes supplies owned by both the Government and the public. Reprinting of the form cannot be reliably scheduled to coincide with an OMB approval expiration date. This form may be privately printed by users at their own expense. Some businesses print complex and expensive marginally punched continuous versions, their expense, for use in their computers. The form may be printed by commercial printers and stocked for sale. In such cases, printing the expiration date on the form could result in extra costs to the users.

Not printing the expiration date on the form(s) will also avoid confusion among taxpayers who may have identical forms with different expiration dates in their possession.

For the above reasons we request authorization to omit printing the expiration date on the form(s) in this package.
