

Why do you want to talk to ME?

You were one of the many people who recently applied to, or worked for, a company or office in the U.S. You were chosen for this study because we want to learn what happened when you applied for a job. **Your experience is very important to us.**

The information you give us is private. Your name and the name of your company will not be used to identify you.

Who is Westat?

Westat, a private research company based in Rockville, Maryland, is conducting this study about the E-Verify program. The study will look at how well the program is working and what could be done to help it work better.

How long will the interview take?

We know that you are busy, but the interview will take only about one hour of your time. Someone from Westat will ask you questions and record your answers as quickly as possible.

How will my answers be used?

Your answers will be put together with those from other people like you and will be used to make the program better. **All of your responses to this interview are private to the extent permitted by law.** Westat will only provide summary results to U.S. Citizenship and Immigration Services. These summaries will not permit identification of specific individuals. We will not use your name or other information to personally identify you in any way.

Why should I participate?

You can choose to answer the questions or not answer the questions for this study. We hope you will choose to answer the questions, as your participation will help us learn more about the program. **To thank you, you will receive a cash gift of \$35 after completing the interview.**

Why is this study important?

This study will help us learn how the use of E-Verify affects people like you. This study gives you a chance to **share your opinions** and tell us about what it is like to apply for a job. Based on your answers and the answers of other people, Westat will describe the results of the study. **These results will be used to improve the E-Verify program.**

OMB #:
Exp.:

About the study

The purpose of this project, the **Study of Employment Eligibility (SEE)**, is to help the U.S. government better understand what employers do when they hire new workers.

You have a chance to tell us about how you applied for employment and share your thoughts and opinions about the process.

To say thank you for your participation in the SEE study, you will receive a cash gift of \$' 5 after completing the interview.
