**Table 2: Revenue from Eligible Federal Property**

**Applicant Name:** \_\_\_\_\_ **Impact Aid Number:** \_\_\_\_\_ **School Year:** \_\_\_\_\_

**Instructions:** List all revenue from Federal and non-Federal sources during the second preceding fiscal year (e.g., 2011-2012 for the FY 2014 application) from activities associated with section 8002-eligible Federal property. If revenue is from Federal programs, provide the name of each Federal program and the name of the Federal agency responsible for administering that program. If only a portion of the Federal property generating the revenue is eligible under section 8002, prorate the revenue to reflect the share attributable to the section 8002-eligible property. For example, if the LEA has 10,000 acres of U.S. Forest Service property that generated \$20,000 in timber revenues, but only 2,000 acres are eligible under section 8002, the LEA should report one-fifth (20 percent) of the total, or \$4,000, as revenue associated with section 8002-eligible Federal property. Do not report Impact Aid revenue or receipts from other U.S. Department of Education programs on this table.
