

**ENVIRONMENTAL PROTECTION AGENCY  
CHANGE WORKSHEET JUSTIFICATION**

**NESHAP for Oil and Natural Gas Production (40 CFR Part 63, Subpart HH)**

**OMB Control Number 2060-0417**

**EPA ICR Number 1788.11**

This change worksheet is transferring burden from OMB Control number 2060-0671, which was created for a related final rule (77 FR 61598, 10/10/2012). This change worksheet combines all of the requirements from the existing regulations and the most recent regulation. Once this change worksheet is approved by OMB, EPA will discontinue 2060-0671.
