SAMPLE FORMAT

Lot Information Statement

Important: Read Carefully Before Signing Anything

The developer has obtained a regulatory exemption from registration under the Interstate Land Sales Full Disclosure Act. One requirement of that exemption is that you must receive this Statement prior to the time you sign an agreement (contract) to purchase a lot.

Right To Cancel

(Under this heading the developer is to state the specific rescission rights provided for in the contract pursuant to 1010.15(b)(5)(i)).

Risk of Buying Land

(Under this heading the developer is to list the following information:)

There are certain risks in purchasing real estate that you should be aware of. The following are some of those risks:

The future value of land is uncertain and dependent upon many factors. Do not expect all land to automatically increase in value.

Any value which your lot may have will be affected if roads, utilities and/or amenities cannot be completed or maintained.

Any development will likely have some impact on the surrounding environment. Development which adversely affects the environment may cause governmental agencies to impose restriction on the use of the land.

In the purchase of real estate, many technical requirements must be met to assure that you receive proper title and that you will be able to use the land for its intended purpose. Since this purchase involves a major expenditure of money, it is recommended that you seek professional advice before you obligate yourself.

If adequate provisions have not been made for maintenance of the roads or if the land is not served by publicly maintained roads, you may have to maintain the roads at your expense.

If the land is not served by a central sewage system and/or water system, you should contact the local authorities to determine whether a permit will be given for an on-site sewage disposal system and/or well and whether there is an adequate supply of water. You should also become familiar with the requirements for, and the cost of, obtaining electrical service to the lot.

Developer Information

(Under this heading the developer is to list the following information:)

Developer's Name: _____

Address: _____

Telephone Number: _____

Lot Information

(Under this heading the developer is to list the following information:)

Lot Location: _____

(Enter a statement disclosing all liens, reservations, taxes, assessments, easements and restrictions applicable to the lot. A copy of the restrictions may be attached in lieu of recitation.)

Suppliers of Utilities and Issuers of Permits

(Under this heading the developer is to list the name, address and phone number of the appropriate governmental agency or agencies, if any, that will provide information on permits or other requirements for water, sewer and electrical installations. The information will also contain the name, address and telephone number of the suppliers of such utilities which can provide information to the purchaser on costs and availability of such services. A chart similar to the one below may be used to supply this information.

Listed below are contact points for determining permit requirements, if any, and to obtain information on approximate costs and availability for the listed services:

If misrepresentations are made in the sale of this lot to you, you may have rights under the Interstate Land Sales Full Disclosure Act.
